

COACHING INFORMATION PACK

SS

STEPHEN SHARPE COACHING

INTRODUCTION

Welcome to SS Coaching

Thank you for your interest in SS Coaching. This information pack outlines exactly what you can expect when working with me – from how I structure training and nutrition to the level of support and detail provided throughout your coaching journey.

My approach is built on real results, accountability, and personalisation. Whether you're aiming to lose fat, build muscle, or step on stage, this program is tailored specifically to your physique, goals, and lifestyle – no generic plans or cookie-cutter templates.

Inside, you'll find everything you need to understand how I coach, what's included, and how we work together day-to-day. If you're ready to commit and apply yourself fully, this coaching will deliver life-changing results – both physically and mentally.

Let's raise the standard.

What's included in SS COACHING

✓ Custom Nutrition Plan

Tailored to your goals, lifestyle, and preferences. Adjusted weekly based on progress and check-ins.

✓ Personalized Training Program

Built around your physique goals, weaknesses, and injury history. Fully periodized and updated as needed.

✓ Daily Meal Tracking

Stay on track with structured, daily accountability (not through Google Sheets).

✓ Health Supplement Guidance

Detailed recommendations to support performance, recovery, and overall health.

✓ PED Protocols (if applicable)

Full support and guidance for enhanced individuals with responsible oversight.

✓ 24/7 WhatsApp Support

Unlimited direct access for questions, updates, and support whenever you need it.

✓ Loom Training Analysis (Daily)

Video-based breakdowns of your training for ongoing form feedback and performance improvement.

✓ Bi-Weekly Check-Ins

Photo and feedback check-ins every two weeks to assess progress and make adjustments.

✓ Weekly Adjustments

Training and nutrition are refined every week to keep results moving forward.

NUTRITION PLAN:

The diet plan is designed specifically around each individual's needs. This can change on a weekly basis if necessary. This is in order for your body to adapt and head in the right direction to meet your specific goal! All i ask is that you report to me every Week with an update of your Current body pictures and FULL Check in format. This way I can monitor and adjust the plan according to how your body is responding.

TRAINING PROGRAMME:

This will be a full weights and cardio regime, designed specifically to suit your body. weak points, injuries, Disabilities ect. Will also be including all the tips and tricks i have picked up over the years of training and coaching.

SUPPLEMENTATION:

This will include the supplements i recommend you use, when and how to use them most efficiently. So you can optimise your overall health and longevity

24 HOUR CONTACT AND SUPPORT:

I have found this to be key in my coaching service. I provide 24hr service for all of My clientele. Any time you need to ask a question or have a worry, no matter when or what time, you can contact me. I will reply as soon as possible! My phone is always on so in most cases you will get a reply straight away! You can contact me via, WhatsApp, email, whatever suits you best.
